SPECIFICATIONS & LOGISTICS: Featured Digital Product

Thank you for purchasing a Featured Digital Product! With this upgrade, you can upload a one of your company's products to the Featured Products page of the Natural Products Expo East Virtual platform. This is the perfect opportunity to get your products noticed before, during and after the show!

How to upload your Featured Digital Product

1. Log in to the Natural Products Expo Virtual platform.
2. On the homepage, click on the pencil next to your company's name, located under your profile picture.

EDIT

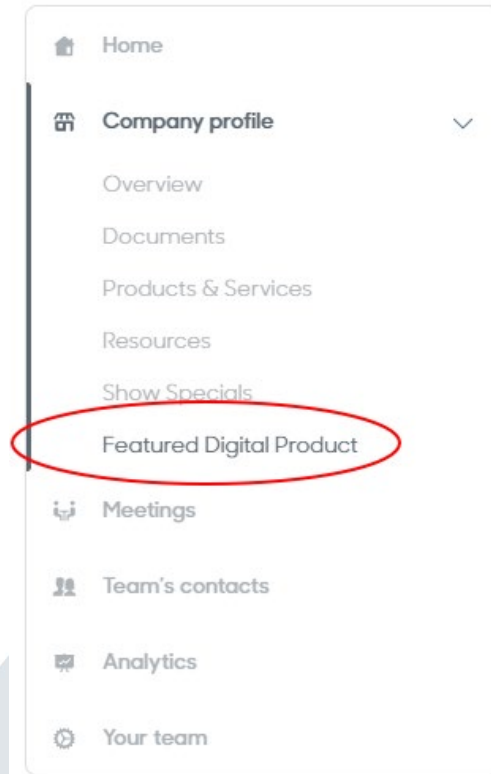

Katie McCoy
Sr. Sponsorship Manager
New Hope Network

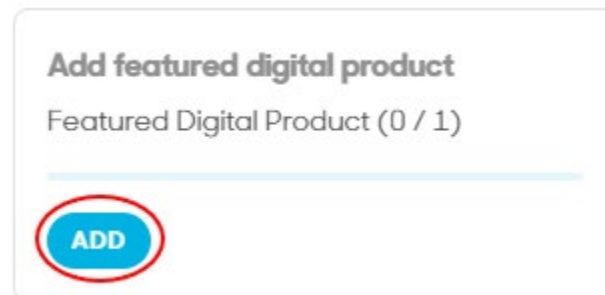

Edit your company information and access advanced features in the exhibitor center.

 **New Hope Network** 

3. On the left-hand side of the screen, under “Company profile” choose “Featured Digital Product”.

4. On the right-hand side of your screen click the “Add” button in the box that says “Add featured digital product.”

5. Next, you will be able to add information about your product like the category, name and description. When you're finished, click “CREATE.”
